

Client Meeting Notes

6 MAY 2020 / 13:00

Attendees

Andrei Geadau, Dragos Vecerdea, Alin Dondera, Alex Manolache, Ionut Constantinescu, Shirley de Wit, Myrthe Tielman, Daphne van Tetering

Topics discussed

1. Project plan final feedback from coach, teaching assistant and client.
2. Project plan approval
3. Planning midterm meeting
4. Planning another meeting with client for this week

Notes

- Feedback on project plan:
 - There is a gap between the problem analysis and the implementation details
 - The project plan is missing a general description of the applications
 - Include project architecture/workflow in the project plan
- Integrate the feedback on project plan by the end of this week so that everything is clear
- Make sure that communication is good between the two subteams (client and server) so that the development goes smooth and without problems

Next Meeting Agenda

On 7/05 we will have another meeting with the Client to discuss the details of the quiz structure.
