

# Team meeting

**31 MAY 2020 / 19:00 PM**

## Attendees

Andrei Geadau, Dragos Vecerdea, Alin Dondera, Alex Manolache, Ionut Constantinescu

## Topics discussed

1. Sprint 2 review

## Notes

- Seeing what has been accomplished in this sprint.
- Seeing what has not been done and needs to be included in the next sprint.
- Gathering all the problems we faced during this sprint.
- Analyze team performance and come with the point of improvements for the next sprint.

The details about everything that was mentioned before can be found in the Sprint 2 retrospective document.

## Action Items

1. Create the sprint retrospective document
2. Add the retrospective to gitlab
3. Merge the code in the master branch and create a new tag

## Next Meeting Agenda

The next TA meeting is on 02/06.
