

Team meeting

2 June 2020 / 15:00 PM

Attendees

Andrei Geadau, Dragos Vecerdea, Alin Dondera, Alex Manolache, Ionut Constantinescu

Topics discussed

1. TA meeting feedback
2. Client meeting feedback
3. Pilot preparations
2. Sprint 3 planning

Notes

- Take into consideration what has to be done before the pilot when prioritizing issues.
- It should be feasible to implement the new client requirements before the pilot.
- Focus on data collection this week.
- See the client meeting notes for details about the requirements.
- Send the TA our report draft with mentions about what sections we want in depth feedback on.
- Send an email to Myrthe asking when does she want to receive the final report draft.

Action Items

1. Create issues for this sprint
2. Prioritize issues that have to be done before the pilot

Next Meeting Agenda

The next TA meeting is on 08/06.

Sprint 3 ends on 14/06
