

Team meeting

18 June 2020 / 14:00 PM

Attendees

Andrei Geadau, Dragos Vecerdea, Alin Dondera, Alex Manolache, Ionut Constantinescu

Topics discussed

1. Client meeting feedback

Notes

- Add a back button on the waiting screen to select a new version
- Add random option for versions
- Send block number from client to server (so we can send results back)
- Test the validation for dissemination app
- Deploy the code with results calculations on Heroku
- Test everything

Action Items

1. Finish with all the aspects related to coding (by Friday preferably)

Next Meeting Agenda

No other meetings with TA, coach or client.
