Team meeting

17 MAY 2020 / 18:00 PM

Attendees

Andrei Geadau, Dragos Vecerdea, Alin Dondera, Alex Manolache, Ionut Constantinescu

Topics discussed

1. Sprint 1 review

Notes

- Seeing what has been done and what has not been done this sprint
- Gathering all the problems we faced during this sprint
- Analyzing what can be improved in the next sprints
- More details about the problems and points of improvement can be found in the sprint retrospective document

Action Items

1. Create the sprint retrospective document
2. Add the sprint retrospective to gitlab
3. Merge everything into the master branch

Next Meeting Agenda

On 18/05 we will have another team meeting to create the backlog for sprint 2.

Next TA meeting is on 19/05.
